

2014 7-8 Year Old North Carolina State Little League Baseball Tournament Format

PROPOSED DATES: July 12 – July 15

ELIGIBILITY: As of January 21, 2014: Top Two 7-8 Year Old Baseball teams from the Seven North Carolina Little League Districts will be accepted into the tournament. If a District fails to send one or two teams from their districts, other districts teams will be accepted as Wild Card Teams to fill the tournament. Wild Card Teams will be accepted from District 6 first due to being the host district. Wild Card Teams will only be used to help balance the tournament format.

FORMAT: Teams will be guaranteed a minimum of three games against three random opponents during two days of pool play. At the conclusion of the pool play round, the top four teams plus any other team with a winning record (2-1 or better) will advance to the single elimination bracket round. Teams will be seeded based on Little League seeding procedures. Pool Play Seeding/Team Placement will be determined in this priority order: District Champion, District Runner-Up, Wild Card & Travel Distance. Teams will play a maximum of two games per day. A coin flip before each game will determine home or visitor.
